Martha Raney, Appellant Acting Pro-se

MISSOURI APPELLATE COURT OPINION SUMMARY

**MISSOURI COURT OF APPEALS
WESTERN DISTRICT**

**IN RE: DANNY LINN JACKSON, DECEASED
JIMMY H. YOUNG, RESPONDENT**

v.

MARTHA RANEY, APPELLANT

WD78584

Worth County, Missouri

Before Division One: Anthony Rex Gabbert, Presiding Judge, Victor C. Howard, Judge and Cynthia L. Martin, Judge

Martha Raney appeals from a judgment of the probate court finding that all four of the biological issue of the deceased, Danny Linn Jackson, were his heirs. Because of significant deficiencies in Ms. Raney's appellate brief, we dismiss the appeal without reaching the merits of the trial court's judgment.

DISMISSED.

Division One holds:

Where Ms. Raney's amended appellate brief contains multiple violations of Rule 84.04, and the argument is not readily understandable, the merits of her appeal cannot be reached, and the appeal is dismissed.

Opinion by: Victor C. Howard, Judge

Date: December 8, 2015
